

PREESALL TOWN COUNCIL

Update from the clerk 5th August 2026

Ferry Timetable

The August ferry timetable poster has been created and has been placed in the council's noticeboards for residents.

Micks Garage

Northwest Electricity completed their inspection of the site on the 17th of July, and it has passed to have the electricity connected. The timetable for installing the electric is as follows:

Excavation / Digging – 4th September

Proposed Jointing – 7th September

Latest date for completion – 14th September

Unity Bank Card

I received an email from Unity on the 30th of July informing me the card has now been processed and should arrive within 7-10 working days.

Asset Register

The asset register has been updated to reflect all purchases over the last month and is now up to date.

Staff

All HR work produced from the personnel committee has now been completed under separate meetings with myself and staff members.

Electricity Installed at Kelly's Corner, and the Cenotaph

The payment for installing the electric will be paid within August finances, and then it will be installed.

A588 Speeding Issues

A letter has been written and sent to highways over the issues raised by the public member at July's meeting.

BT Exchange Building

Upon further inspection on the 21st of July, the hedge row has now been cut back, and no letter was required to be sent over the matter.

Assistant Clerk

The laptop was purchased and now has the required software, email and website access. Alan has been up and running with all the required equipment from the 20th of July.

Planters for Entrance Signs

These are to be delivered in the next week, and upon the lengths man's return from leave they will be fitted and then planted up.

Lengths Man's Work

Along with his usual duties the lengths man has placed the notice boards at the Ferry shelter and refurbished the telephone box and installed the planters.

Update from the Assistant Clerk

Planting

Planting of the phone box at the junction of Sandy Lane/Park Lane/Lancaster Road has now been done.

Blue Plaques

All plaques have now been put up.
